COURSERA WITH DIGITAL  
MARKETING

## Work Experience

- Senior Graphic Designer  
larana, inc | 2019-2020  
Abdrhmaan commenced his design journey in 2020 at Company A, where he quickly established himself as a key contributor to the design team. He was responsible for conceptualizing and executing visually stunning designs for a range of projects, including marketing materials, brand collateral, and digital assets. His ability to translate complex ideas into visually compelling designs played a crucial role in enhancing the company's brand identity.
- Senior Graphic Designer  
Iliceria & co. | 2020-preset  
In 2021, Abdrhmaan transitioned to Company B, where he took on a lead design role. During his tenure, he spearheaded several high-impact design projects, collaborating with cross-functional teams to ensure alignment with brand guidelines and business objectives. His strategic approach to design and proficiency in industry-standard tools resulted in the successful delivery of visually engaging materials that resonated with the target audience.

## About me

👋 Hello! I'm Abdrhman, an adept web developer 🚀, specializes in cutting-edge technology, particularly MERN stack projects. With a flair for creating innovative and user-centric web solutions, I seamlessly blend creativity with the latest in web development trends. Join me on a journey where technology meets imagination, and together, we'll craft immersive digital experiences that captivate and inspire. 💻✨
